**European Association for Cities, Institutions and Second Chance Schools (E2C)**

Your application for Membership

Dear Ms. Zsuzsanna Ádams,

you have send us the ID – Card of your Company as application for a membership in our association. The Board of E2C discussed your application in the last meeting end of March and decided to receive you as a new member in our network. The Board welcomes you in the network.

In the meantime we are more than 30 members and for us it is always a pleasure to welcome new members. The network started in 1998 with 7 founding members and the main aims of the Association are to organize exchange and transfer of experience between the cities and collective territorial bodies who have set up or participated in setting up a Second Chance School within the framework of the programme launched by the European Union, to assist cities and collective bodies who wish to set up a Second Chance School and to promote the European concept of Second Chance Schools in general.

Maybe you know that the network E2C needs active members and so we hope that your Company will be involved in a lot of activities as European Projects, Trainings, Youth Events and other activities.

Our experience is that the members of the network easily find partners for projects. Our back office supports you in finding a partner and in the development of project ideas.

On our website <http://www.e2c-europe.org/news/218-runningprojects2013.html> you will find an overview how networked partner are connected with each other in projects.

So some days ago a small Youth Event took place in Portugal where 7 schools/ institutions out of E2C took part with their youngsters in dancing, theatre and music workshops.

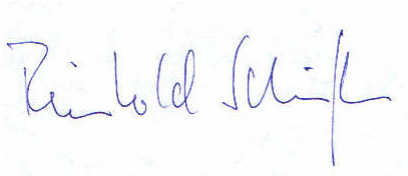

In October this year there is a network seminar in Matosinhos in Portugal in the context of a Youth in Action Project called "CHEARS". In the framework of this project in 2015 will take place a Youth event in Mönchengladbach and at the same time Trainer Workshops with the themes of health,

employability and European citizenship. At the same time the network will arrange the General Assembly for 2014 in Matosinhos with a lot of important decisions for the future of the network.

You will get informed about all these and all other important issues regarding the network on our website [www.e2c-europe.org](http://www.e2c-europe.org), via Facebook <https://www.facebook.com/E2CEurope?ref=hl> and by email by Mr Bert Pelzer. He is the responsible for the back office in our network. If you have questions or any other important information for the network, please contact him under the email address [bert.pelzer@euricon.eu](mailto:bert.pelzer@euricon.eu)

In the next weeks our treasurer will send you an invoice about your membership fee for 2014. His name is Tue Wethje. We have updated our list of members on our website. Your institution is listed under Associates/ Federations.

Kind regards
